CATERING

ON-SITE SERVICE

Here's some general info on how we cater: we'll show up one hour before the event and bring everything we need to set up and serve. We'll set up one to two serving lines depending on the size of your event.

We will serve for our allotted time and then clean up our area. We **do not** bus tables. We **do not** take trash. We **do not** stay until the end to clean the venue.

We look forward to hearing from you!
